**Why would you like to be on the Board of Directors for the OVR?**

The OVR is a great organization with exceptional people working every day to make it better. As with every business, there is room for improvement and with my years of experience, I feel I can help make the OVR better. Some of the areas I am focused on are finding ways to keep the cost for the members down, finding ways to grow the adult programs, ensuring the Junior leadership (Club Directors and Coaches) have a say in the decisions made at the Board of Director level, and making sure we have the right people in place to continue our success.

**What other hobbies, sports, or activities do you enjoy (outside of volleyball)?**

Outside of volleyball, I like outdoor activities like camping, hiking, backpacking, and cycling.
