

Juniors' Tournament Update

Tom Kohl, Juniors' Tournament Director

Thank you to those tournament directors that have applied online or sent their *Applications for Sanction* for the 2003-2004 season. We currently have 402 sanctioned tournaments (as of 10/31/03.) To those tournament directors that haven't completed their *Applications for Sanction*, please go to www.ovr.org/juniors/sanction/ as soon as you know your plans.

Please be advised that all tournament directors must be members of USA Volleyball. Online registration can be completed at

www.ovr.org/register/. Contact Ron Wyzynski (wyzynski@ovr.org, 1-888-873-9478) or Nick Nystrom (nystrom@ovr.org) for registration information. Any tournament director not registered for the 2003-2004 season will not have their tournament listed at the OVR website and will lose their tournament sanction until they have registered. The online Juniors' tournament schedule will be available to membership November 30.

My goals for this season are as follows:

1. Ensure the quality of tournament facilities and play.
2. Online reporting of tournament results
3. Power Challenge and Bid Tournament organization

As I sanction tournaments, I will e-mail copies of the *Procedures and Rules for Girls Regular Season Tournaments* and *Checklist of Tournament Procedures*. Any additional forms you need to conduct your tournament can be found at www.ovr.org/juniors/tournament_packet/.

All parties involved in an OVR-sanctioned tournament – tournament directors, referees, and coaches – must be informed of tournament procedures and rules to ensure consistency of play and reporting of results. Should you have any suggestions, please e-mail me at kohl@ovr.org.

Again, thanks for your help this past season. I look forward to your cooperation in the 2004 season.
