A bid is only the opportunity to play in the National, USA, Liberty, American & Freedom Divisions of the GJNC. In order to be eligible for the GJNC, a team must meet all posted entry deadlines and requirements.

**If a team that earns and accepts a National, USA, Liberty, American, Freedom bid or reallocation bid and does not participate in the GJNC in the division in which it earned the bid, ALL members in the qualified team's club may be subject to penalties that are listed within the GJNC Championship Manual to include fines and suspension of play. See the Championship Manual:**

#### **Frozen Player Terms and Conditions**

At the time the team earns a bid in a Qualifier, or applies for a bid in an at-large process, the players on that team's roster are frozen to that team. A frozen player cannot play for another team in a qualifying event or the GJNC. Obtaining a bid defines the team as "qualified" for the GJNC.

Switching a player from the roster of a qualified team to the roster of a team attempting to qualify will result in sanctions being imposed on the already qualified team, its club, and/or the individual(s) involved.

Likewise, no player may switch from one qualified team to another qualified team, even within the same club.

There are no restrictions on additions to the roster (up until the limit of 15 players) of new players or players from non-qualified teams. All teams and players must maintain eligibility compliance within their region. All players added to a roster must be on the roster submitted for at-large bid consideration. The roster is then frozen as of submission for bid consideration. **See the Championship Manual:**

Violations of the Frozen Player Rule will result in sanctions being imposed on the already qualified team, its club, and/or the individual(s) involved, including the player, the coach and the club director.

USAV will determine sanctions for violations of the Frozen Player Rule. For a first or subsequent offense, the sanctions may be a warning, probation, suspension or expulsion.
