

Boys' 12U and 13U Incentive Program

Contact: GrowGrants@usav.org

- Select boys' 12U and 13U teams will be eligible for a 50% rebate on their entry fee(s) to the USA Volleyball Boys' Junior National Championships.
- Teams from within your club can be combined to form all-star teams for the event.
- Teams must register in the tournament based on the age of the oldest player on their team.
- The incentive program involves new teams formed this year only and at least half of your players must be first-time USAV members to be eligible for the discount.
- The discount is only available to clubs that implement local programming for boys.
- Clubs must submit the request for the discount to their RVA for consideration and show documentation
 - for local programming in the target age divisions
 - proof of new membership growth.
- The RVA must approve the team for the rebate and forward the request to USA Volleyball. USA Volleyball will have the final say in issuing reduced entry fee(s) based on tournament logistics and space availability.
- Participating teams are responsible for all costs associated with travel and housing. The 50% rebate will be sent to the team after the conclusion of the BJNC tournament.
- Teams are required to follow all procedures and policies as described in the Pre-Tournament Manual for the USA Volleyball Boys' Junior National Championships. Teams that drop out of the event after the published deadlines will forfeit entry fee(s) and may be subject to additional penalties.

Suggestions for Selecting Your Team to Receive Reduced Entry Fee(s)

- 1) Select the team that wins your Championship Tournament
- 2) Compile an All-Star Team from those that participated in your club program.
