

2018-2019 Ohio Valley Region USA Volleyball Junior Membership Options

OVR Junior Tryouts - September, October, November, and December \$10

For boys and girls ages 9-18: This is a limited membership that is good for **TRYOUTS ONLY**. This is an ideal option for those who are unsure if they will be selected by a junior club. Benefits for this membership option include USAV insurance coverage during the tryout time frame. A membership card can be printed on or after the date that the membership becomes active and current.
