Dear USA Volleyball Membership,

As parts of our nation have commenced plans for reopening, USA Volleyball CEO Jamie Davis and Board Chair Cecile Reynaud have established a task force to create a comprehensive roadmap to safely restart USAV's sanctioning of activities when it is appropriate. The team is comprised of the following members:

**Jamie Davis:** USAV Chief Executive Officer

**Chris Vadala:** USAV Chief of Membership Services

**Stacie Kearns:** USAV Chief Financial Officer

**Rachael Stafford:** USAV General Counsel

**Cecile Reynaud:** USAV Board Chair, Member of USAV Coaching Education CAP cadre

**Steve Bishop:** USAV Board Member, President of the Florida Region of USA Volleyball, Member of the RVA insurance committee and the USAV Beach Assembly member

**Dave Peixoto:** USAV Board Member, Commissioner of the New England Region Volleyball Association, Member of the RVA Assembly

**Steve Kenyon:** USAV Board Member, Member of the RVA and Officials Assemblies

**Dave Gentile:** USAV Board Member, Chair of the Junior Assembly

We believe that this joint staff and board task force provides for a broad representation of USAV's membership constituency and is also comprised of members from regions with varying stages of COVID-19 severity and recovery.

This group will be collaborating with the United States Olympic and Paralympic Committee, medical experts, government entities, volleyball clubs and other national governing bodies to adopt a phased reopening plan in accordance with federal, state and local guidelines and with the foremost goal of safeguarding USAV members and spectators. We will not be removing the suspension of USAV sanctioning activities until it is safe to do so.

Thank you in advance for your patience as we develop our roadmap forward.

Stay safe, stay healthy and Go USA!
