

OVR HIGH PERFORMANCE 2020

2020 OVR High Performance

The OVR plans on sponsoring up to five teams, one or two boys' and one to three girls' teams for the High Performance Championships in Pittsburgh, PA this summer. The tournament competition starts on July 22 and ends July 26 (July 25 for girls' Future Select). There will be a team camp for 2-3 days before the Championships in order to prepare the teams. The process for juniors getting involved with the OVR HP program is by OVR tryout only. These tryouts are open to any OVR member and are in February/early March for the boys and in April/May for the girls.

2020 Age Divisions

Age divisions for HP are different than junior club volleyball divisions. Birth year is used to determine groupings and no age waivers are given:

Girls' Youth is born 2004 & 2005

Girls' Select is born 2006 & 2007

Girls' Future Select is born 2008 or after

Boys' Youth is born 2003 & 2004

Boys' Select is born 2005 or after

Due to the COVID-19 pandemic, the OVR High Performance girls' program has been canceled for the summer of 2020. Information for next season will be published in January of 2021. The same birth years as this year will be in effect for 2021.
