

OVR HP CLINICS FOR GIRLS AND BOYS

The OVR is planning on hosting two High Performance clinics this season. These sessions will be conducted by nationally recognized coaches and will be **free** for OVR juniors. The clinics will be in conjunction with our major OVR Championships this season.

Come participate and learn what the highest level coaches teach their athletes and what the High Performance program is all about. Free Mizuno door prizes will be given.

The clinics will include "next level" technique training, demonstrations, players participating in mini-drills, and a question & answer period with the coaches.

Free Clinic for Boys:

The first 100 players to register will be accepted.

Registration for the clinic will be open soon.

Please check back for more information and the date/time/location for the boys' clinic.

Free Clinic for Girls:

The first 100 players to register will be accepted.

Registration for the clinic will be open soon.

Please check back for more information and the date/time/location for the girls' clinic.
