Since all teams advance to playoffs, teams will be ranked within their pools based on match percentage first. Any ties within a pool will use the tie-breaking procedure below. Additional information can be found in the Procedures and Rules for Juniors' Regular-Season Tournaments document.

Playoff positions on the tournament brackets will be based on pool finish. First-place and second-place teams in each pool go to the Gold playoffs. Third-place and fourth-place teams in each pool go to the Silver playoffs. Fifth-place and sixth-place teams in each pool go to the Bronze playoffs.

Tie-breaking procedure

1. If 2 teams from the same pool are tied, their head to head match determines their order of finish.
2. If 3 teams from the same pool are tied after match and set % and point differential have been calculated, a coin flip will determine their order of finish.
