You see their contact information listed like phone and email. At the bottom of the page is a link that allows you to: "E-Mail individuals listed above":

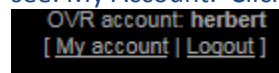

[E-mail individuals listed above](#)

That will let you send the same note to all 17 available officials. In your note you should include things like:

- Location of the site
- Date of the tournament
- Age divisions
- When the coaches meeting takes place
- What time the tournament starts

They can then send you a note if they are interested.

Once you get a response, you can hire the individual through your "Member Login". This time after you log in, click on the Continue button. Then on the OVR Hope Page, instead of Member login, you will not see: My Account. Click on that.

You will see several heading. One of which is: Officiating. Under that heading you will see:
