

## Executive Director's Commentary

*Dear Members*, I hope your summer was enjoyable. Recently your OVR board of directors and staff gathered together for two days to plan for the 2003 season. This dedicated group spent both days and evenings listening to officer reports and planning strategy in all areas of the OVR volleyball business. This season the OVR will start to implement on-line registration. This is a choice of each club director or team rep. All registration materials (as in the past) will be mailed to each representative, director or coach. It's our hope that within a few seasons most of the registrations will be on-line and the need for mailing these materials will decrease. However some things will always need to be mailed. The OVR in 2002 had perhaps the most productive season in all areas of our business ... we plan to keep it that way. Please take a few minutes to read

the OVR online newsletter cover to cover. As always the region office will continue to serve you, the members. In the meantime, look for mailings to appear at your door sometime after Oct. 1<sup>st</sup>.

Sincerely,  
 Ronald J. Wyzynski  
 Executive Director / CEO  
 Ohio Valley Region, Inc.  
 USA Volleyball

The region has a number of convenient new communication mechanisms accessible through our Mailing Lists link. Those facilities complement the mailing lists already accessible from our lists of clubs, teams, tournaments, and officials, providing one-click access to large groups of people. The distributions available now include

- OVR Board of Directors, Officers, and Staff
- juniors' tournament announcements
- all juniors' club directors
- all juniors' tournament directors
- all men's and women's team reps
- all men's and women's tournament directors
- all professional officials

As with our other mailing lists, sign-in is now required. Those with usernames and passwords should simply use them; others can easily create an account in a few seconds. That requirement protects our membership against unsolicited advertising and other inappropriate e-mail (*spam*).
