

Crew -

Hope your summer is going well! I'd like to take this opportunity to congratulate our OVR referees who were pursuing national-level certifications this summer:

In Minneapolis at the Girls' National Championships, Brian Saterfield was awarded a Junior National referee certification.

In Columbus at the Boys' National Championships, Donald Leckey and Matt Zatchey received National referee certifications.

Kudos to these guys! You all make us proud!

OVR teams have also had success at these events. Take a look at the OVR homepage for a list of teams that have won Gold, Silver or Bronze in their divisions.

Enjoy the remainder of your summer! The high school and collegiate seasons will be here in no time.

All the best,

Brian Hemelgarn
OVR Referees' Chair
