

All,

The new clinic in Pittsburgh on SUNDAY, DECEMBER 22, is now finalized, and details are posted on the website. The clinic will be the day after the PAVO Convention concludes, so if you're attending that and staying in Pittsburgh Saturday night, you can attend the clinic the next morning.

If this is the clinic you plan to attend, please sign up now by logging into your OVR account. Check-in starts at 8:30am, and the clinic begins at 9am. We will be in the MONONGAHELA ROOM on the 17th Floor.

IMPORTANT PARKING INFO: Please note that parking at the Omni hotel is expensive. There are numerous pay lots within one block of the hotel, and I'd recommend using one of those. I'd recommend searching on SpotHero:
<https://spothero.com/pittsburgh/omni-william-penn-hotel-parking>. Select Dec. 22 as the date -- you should find reasonable rates there. Obviously consider carpooling to split the parking cost with others.

Also, there WILL be a clinic for NEW referees at this site on December 22 as well, so please pass that along to any prospective referees. They will be meeting in the ALLEGHENY ROOM on the 17th Floor.

Let me know if you have any questions about this clinic.

Brian Hemelgarn
OVR Referees' Chair
