

Referees -

Just a reminder that the final pre-season clinics of the year will be this weekend in Ambridge, PA (Saturday) and Cuyahoga Falls (Sunday). If you have not yet attended a clinic, you must attend one of these. Remember, clinic attendance is REQUIRED each season. With this being a rule change year, the information is extremely important to help you get started with the season.

If you will be attending one of these clinics but did not receive an email from me with clinic information, that means you didn't sign up online. Please drop me a note so that I can send you the clinic handouts and details.

Have a safe holiday this week, and Happy New Year!
