

Referees,

Just a reminder -- ALL in-person clinics have been canceled for this season. Instead, we will be hosting "virtual" clinics online using a Webinar service. Attendance at a virtual clinic will be required.

If you have already registered for an in-person clinic, i.e., Toledo, Westerville, Dayton, Cuyahoga Falls, etc., you will need to re-register for one of the virtual clinics. There will be nine (9) dates/times to choose from on weeknights & weekends.

I will send a note to request that you re-register once the clinic sign-up page is ready - probably by the end of this weekend. There will be a MAX of 50 online attendees per clinic. The clinics start in mid-December.

Thanks!

Brian Hemelgarn
