

OVR Junior referees:

Starting this season, we have expanded the levels of play you may officiate to include 14N and 15R - basically everything 15 Regional and younger! This should open up opportunities for you. We'll cover specifics at our pre-season clinics, but I wanted to share that information with you now since you will be seeking tournament assignments in the coming weeks and months.

See you at a clinic soon!

Brian Hemelgarn  
OVR Referees' Chair
