

Referees:

A few of you have inquired about purchasing additional shirts (blue and gray). If we did not have your size, you can order them online at the link to our supplier's website:

www.VBOfficialsgear.com

For whistles, ball pressure gauges & pumps, and other officiating equipment, you can visit:

www.roofsportswear.com

Roof Sportswear also carries the white officiating shirts, but does not carry the blue or gray at this time.

Other authorized vendors include:

The Ref Shop - <http://www.therefshop.com/>

Timeout For Sports - <https://www.timeoutforsports.net/>

In the near future, the OVR Store <https://www.ovr.org/store/index.php> will have links for ordering shirts directly from us, as well as equipment. In the meantime, questions about the shirts and equipment that we have in stock can be directed to Terry Miller (miller@ovr.org). Remember, we can usually offer you a bit of savings on some items because we order in bulk and pass that discount on to you. It may also save you the full cost of shipping.

And remember, the white shirt may be worn through August of 2018. White is currently the default color, so it's not a bad idea to have one handy if you're looking to buy a new shirt.

Look sharp! Make sure you have the equipment you need this season!

Brian
