

Referees,

Registration is open for the USAV National clinic being held on Saturday, January 25, at the Greater Columbus Convention Center. The National Clinic begins at 6pm and will last about two hours. Specific room location will be distributed to attendees the week of the clinic.

The USAV National Clinics are required for Junior National and National referees and candidates for Junior National referee; however, the clinic is open to ALL referees who are interested in attending.

For our newly certified referees (Kids America last weekend), you do NOT need to attend this clinic.

Pre-registration online is REQUIRED. To register:

1 - Go to:

https://webpoint.usavolleyball.org/wp15/Events2/Registrations/Register.wp?rgs_EventID=13634

2 - Log into your Webpoint account before registering.

3 - There is a clinic registration fee for non-national referees, payable online when you register.

Hope to see you there!
