

At yesterday's USAV Rules Commission meeting, it was adopted for immediately implementation that USAV 19.2 (the gray box) will be deleted, and the new USAV 19.2 will now read:

The Libero(s) must wear a uniform which clearly contrasts with the rest of the team.

As such, it is NO LONGER NECESSARY to inform teams when that their jerseys may be deemed "non-compliant" if they travel outside the region. This rule change, effective immediately, will apply across the country.

Online materials on the VRT website will be updated accordingly and as timely as possible.

I will keep you abreast if there are any additional related changes.
