

Referees,

As previously mentioned, all clinics are VIRTUAL this year. Participation/attendance is still REQUIRED this season. Many of you had already signed up for one of the annual in-person clinics. We need to get everyone re-registered now, so here's the scoop:

Step 1. EVERYONE receiving this email needs to log into their OVR account - [www.ovr.org](http://www.ovr.org). Once you're logged in, select My Account in the upper right area of the screen in the blue OVR banner. (It's below the Facebook & Twitter icons.)

Step 2. From your My Account menu, click on "Sign up or change my choice for a clinic."

Step 3. You will be taken to the clinic sign-up page where you'll see NINE different dates/times. Pick one!

Step 4. After you've selected the clinic you want, click "Record Update" at the bottom of the page.

IMPORTANT NOTES:

\* There is a maximum of 50 attendees for each clinic. Once that capacity has been reached, you will see "FULL" next to that date/time. No additional registrations will be accepted.

\* Registration for each clinic closes at NOON the day before the clinic. Register early so you can attend the date/time that best fits your schedule.

\* ANY referee certification level can attend ANY clinic. We are not separating clinics by certification level.

\* You will receive a confirmation email after your clinic has been selected. At the bottom of the confirmation email will be a link to pay the \$10.50 clinic fee through the OVR PayPal account. Please pay that ASAP to ensure you aren't bumped from that clinic.

Contact me with any questions. Clinic access details will be provided at least 24 hours prior to each clinic. If you aren't registered for a clinic, you won't be able to sign in to view the Webinar.

Thank you!
