Household

Click on your initials. Now, look for a box like:

Click on "View Details".

Now click on the ">" in this box:

You should be given a link to be able to complete any requirement like Background Screening, IMPACT and SafeSport. Here is an example for SafeSport:

SafeSport Certification - Refresher 1

With SafeSport, you will take the courses in sequence. The first course you take is:

SafeSport Certification – Core

After that expires, you will take SafeSport Certification – Refresher 1

After that expires, you will take SafeSport Certification – Refresher 2

Etc.

The system will automatically present you with the one you need to complete. Certifications are good for one season and expire on August 31 each year.

NOTE: As you register for a background screening, you will be asked for your “Club”. If you do not have a club, just enter “None”.
